Our Mission Statement at LOL is: "To know Christ and to make Him known to successive generations." We are committed to life on life discipleship and outreach. Practically speaking, that means to meet with students one on one, rooting them in the Word of God, equipping them to share the gospel, and teaching them to do the same with other students. We place a strong emphasis on reading and memorizing Scripture so that we can make practical application to our lives as we invest in others.
